

You're reading this book because you're tired of being bullied - right? You're the kind of person who just wants to get along with everyone - right? You just want people to leave you alone, stop bothering you - right? You can't understand why someone would hurt you when you've done nothing to them - right? Your first question probably is, "What can I do to make them stop?" The answer is, "You can't." You can't change other people. But you can change yourself so that bullies and other life problems can be better managed. The bottom line is, you want the bullying to stop. There is no magic wand that sprays goodness in the air, but here are ideas on how you can avoid, stop, or manage bullies so that life is easier for you. You ask, "But, can't we sue them?" Then they'll stop! The answer is: Yes. And the result is, you'll probably lose. You'll be out money, time and energy and the bully will be the same - well, maybe even stronger! Your chances of winning a bullying lawsuit are extremely poor. Of course it's possible, but you need fool-proof documentation and a strong constitution to stand up for yourself under incredible pressure. Bullying has been with us since the beginning of time. It's as common as a cold and as annoying as a bed bug. And, at this time with cybernetics, bullying has power to do far-reaching damage - if you allow it! This book will tell you strategies to cope with bullies. It will also tell you how your family and friends can stop helping you - yes! Stop helping!! How can you stand on your own two feet if others keep trying to prop you up? Also you will learn to recognize common bullying strategies and solutions.

Question Time: Sharks, A Drop of Blood, Scaling Biodiversity (Ecological Reviews), POINT MERIDIAN: Women Coping With Men in the Zone, American political parties, their natural history, Biennial report, Money, the Financial System, and the Economy,
