

From border to border, Central American migrants make their way to the United States facing risks that can go from extortions and muggings to kidnappings and rapes. Most recently some have been forcefully recruited by drug cartels. Some killed with cruelty and at close range, like the 72 migrants who were found shot to death in August 2010 in northeast Mexico. Deemed "Step by Step Toward Peace Caravan," this emerging immigration-related movement is not demanding immigration reform but simply to know the fate of thousands of migrants who left their impoverished countries in hopes of reaching the United States, only to vanish from the face of the earth. word count: 863
