

During my years as a patient, I felt a guilty and unshakeable conviction that I was completely sane. Of course, my notion that patients were expected to be crazy was a naive one, but I had swallowed whole the ideology that connects madness to beauty of spirit. In fact, I wasn't interested in being happier, but in growing more poignantly, becomingly, meaningfully unhappy. Here, in her own words, is Emily Fox Gordon, therapy veteran, sometime mental patient, and a prize-winning essayist whose writing Rosellen Brown has praised as acute and engaging—a combination of wit, rigor and deep feeling. In this astounding memoir, she tells the story of her therapeutic education, marked by no fewer than five therapists before she turned seventeen. At eighteen, after a half-hearted suicide attempt, Gordon, mired in adolescent angst, began a three-year sojourn at the prestigious Austen Riggs sanitarium. It was at Riggs that Gordon was rescued by the maverick psychoanalyst Leslie Farber. Beautifully crafted, and startling in its observations of the therapeutic enterprise, *Mockingbird Years* is an auspicious debut by a major new talent.

Site planning for magnetic resonance imaging systems: Report of AAPM NMR Task Group No. 2 (AAPM report), *Surviving Andersonville: One Prisoner's Recollections of the Civil War's Most Notorious Camp*, Information Gathering for Adaptable Decision-Making, Sams teach yourself C++ in 24 hours, Contemporary non-governmental public organizations Research Series Community Administration - Public Administration Community Development viewpoint (Chinese Edition),

Psychotherapy can often be a long journey across a series of dull plateaus, punctuated by occasional epiphanic vistas. In Pushcart Prize-winner Gordon's able.
